Effective Communication |
Remote Collaboration

INTERESTS

- Explore new technology
- Gaming

Madhukar Kumar

Full Stack Web Developer

PROFESSIONAL SUMMARY

Passionate Full Stack Web Developer experienced in MERN stack (MongoDB, Express.js, React.js, Node.js) and proficient in JavaScript. Strong problem-solving abilities and attention to detail. Effective communicator and a team player, adept at collaborating with cross-functional teams to deliver functional and scalable web applications. Stay up-to-date with the latest web development trends and always eager to enhance proficiency in emerging technologies.

PROJECTS

1. Sugar Cosmetics | | React.js | Redux | HTML | CSS

- Developed an e-commerce website using React.js, Redux, HTML, and CSS.
- Implemented features such as fully responsive design, searching, login, rating, authentication and authorization, online payment, cash on delivery, filtering and sorting, and reviews.
- Collaborated within a group project setting, demonstrating effective teamwork and communication skills.

2. Green Paradise | | HTML | CSS | JavaScript | Firebase

- Designed and developed a fully functional e-commerce website tailored for plant enthusiasts.
- Implemented user login and signup functionality using Firebase. Handled frontend development including homepage, login, and navigation, and managed the GitHub repository.
- Collaborated within a group project setting, demonstrating effective teamwork and communication skills.

3. Bed-Bath-Beyond | | HTML | CSS | JavaScript

- Developed a fully responsive e-commerce platform for Bed Bath & Beyond.
- Implemented features such as searching, login, rating, authentication and authorization, online payment, cash on delivery, filtering and sorting, and review.
- Worked individually on the project, demonstrating the ability to handle full-stack development tasks independently.
